SALVATION'S FREEWAY

ALL HAVE SINNED

"For all have sinned and come short of the glory of God." Romans 3:23

The Penalty of Sin is Death

"For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord. Romans 6:23

Jesus Christ Died for our Sin

"But God commendeth His love toward us, in that while we were yet sinners, Christ died for us." Romans 5:8

To Be Forgiven for our Sin, we must Believe and Confess that Jesus is lord.

Salvation comes through Jesus Christ

"That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved.

For with the heart man believeth unto righteousness: and with the mouth confession is made unto salvation." Romans 10: 9-10

It's not just saying the words that save you. Pray it, believe it, and live it. Jesus Will Change Your Life.

Prayer for Salvation

Dear Lord Jesus,
I believe You are the Son of God and died to forgive me of my sins. I know I have sinned. I ask You to forgive me. I turn from my sins and I receive You as my Lord and Savior Thank You for saving me.

Amen

Is there hope for America?

Will we become the great nation that we are capable of becoming?

Or will we slip deeper and deeper into moral and spiritual decline?

The good news is that there is hope for America! But only if we humbly bow before GOD in prayer and confession -

As Pastor Joe Wright did before the State House in Topeka, Kansas.

Will you join in this profound prayer?

If we truly pray this prayer in believing Faith we - and our nation - will never be the same.

Heavenly Father, we come before you today to ask Your forgiveness and seek Your direction and guidance.

We know Your Word says "Woe to those who call Evil good," but that's exactly what we have done.

We have lost our spiritual equilibrium and inverted our values.

We confess that:

We have ridiculed the absolute truth of Your Word and called it moral pluralism:

We have worshiped other gods and called it multiculturalism;

We have endorsed perversion and called it alternative lifestyle;

We have exploited the poor and called it lottery;

We have neglected the needy and called it self-preservation;

We have rewarded laziness and called it welfare;

We have killed our unborn and called it choice;

We have shot abortionist and called it justifiable;

We have neglected to discipline our children and called it building esteem;

We have abused power and called it political savvy;

We have coveted our neighbors possessions and called it ambition;

We have polluted the air with profanity and pornography and called it freedom of expression;

We have ridiculed the time-honored values of our forefathers and called it enlightenment.

Search us, O God, and know our hearts today; try us and see if there be some wicked way in us to cleanse us from every sin and set us free. I ask it in the name of your Son, the Living Savior, Jesus Christ,

Amen.

Blessed is the one who does not walk in step with the wicked or stand in the way that sinners take or sit in the company of mockers, but whose delight is in the law of the LORD, and who meditates on his law day and night. That person is like a tree planted by streams of water, which yields its fruit in season and whose leaf does not wither— whatever they do prospers.

— Psalm 1:1-3

FEEDERS AND WATER TANKS

We carry a Variety of Feeders and Water Tanks for all your Ranching Needs

ARENA GROOMER

Priefert's ArenaMaster™ eliminates expensive hydraulics and allows operators to break packed ground, pulverize clumps of dirt, and leave consistent footing; often in a single pass. Offset rows of S-tines provide multiple points for ground breaking efficiency and to minimize large clods. Penetration depth can be regulated by changing the tractor's top link, lift control height, and/or the ArenaMaster's™ leveling bar adjustment. The leveling bar also aids in the breaking clods, leveling high spots, and filling in holes. The trailing "Clump Buster" further pulverizes dirt clods and packs the sub-surface for consistent footing; it also fluffs the top layer of dirt to ensure a smooth surface, suitable for any practice or competitive arena.

ROUND PENS

Round Pens will fit the needs of most any horse owner looking for a safe environment for working horses.

Whether you are starting a young colt or working with a seasoned horse, there are few training tools for all disciplines that can pay off like a Priefert Round Pen.

Chain connectors make these pens quick and easy to set up, while the lightweight panels allow this round pen to be portable. The 64" tall panels are tall enough to discourage horses from jumping on or over them.

The Architectural Grade Powder Coat Finish helps the product to resist rust, scratches, and fading to add years of life to your investment.

I have been crucified with Christ; it is no longer I who live, but Christ Lives in me.
— Galatians 2:20a
